

STUDENT

SUMMER

PLACEMENT

PROGRAM

Are you a **pharmacy student** interested in hospital pharmacy?

Get a taste of what hospital pharmacy can offer you!

- Gain an introduction to hospital pharmacy services
- Learn about the role of operational, clinical and specialist pharmacists
- Get involved in quality use of medicines projects
- Make connections with hospital pharmacists
- Discover more about hospital pharmacy education and training opportunities

Hospital pharmacy skills will set you up for the rest of your pharmacy career, wherever it takes you. Each year SHPA's Victorian Branch coordinates a selection of Victorian hospital based placements for pharmacy students over the summer.
