

JOURNAL OF

Pharmacy Practice and Research

Official Journal of The Society of Hospital Pharmacists of Australia since 1966

PATIENT CONSENT FORM

This completed form must be retained by authors. Verbal consent is not sufficient.

The *Journal of Pharmacy Practice and Research* may request this form at any time, including after publication.

Title of Article: _____

Corresponding author's name: _____

Corresponding author's address:

Manuscript ID number (if known): _____

Name of person described or pictured: _____

[If the person described or pictured has died or is incapable of giving consent, consent may be granted by the next of kin].

I, _____, give permission for material relating to me (or my child/ward/next of kin) to be published in the *Journal of Pharmacy Practice and Research*.

I understand that:

- The information provided may be published online in the *Journal of Pharmacy Practice and Research*, intended for health professionals and research purposes, and may be published as open access (and available to the general public)
- If published, information will be de-identified and my (or my child/ward/next of kin's) name will not be published. Despite these efforts, I understand there is a low risk that I (or my child/ward/next of kin) may be identifiable from the information provided.
- If published, this article may be included in media releases or promoted using social media.

Signature: _____

Name (please type/print): _____

Date: _____

Relationship to person on whose behalf you consent (if applicable): _____
