

RESEARCH AND DEVELOPMENT GRANTS PROGRAM  
Research Project Grant Application  
ASSESSMENT CRITERIA

ESSENTIAL CRITERIA		Assessment/ Possible Score
1	SHPA Member	
2	Application form completed and inclusive of research protocol	
3	Associated investigators detailed	
4	CV included	
<b>Desirable criteria</b>		<b>Potential Scores</b>
1	Project meets specific grant criteria	Yes/No
<b>Scientific Validity</b>		
2	Aims / hypothesis	10
3	Research methodology	20
4	Analysis of data, statistical methods and bias	10
5	Completion of project in time (start and end date)	10
6	Standard of the budget	5
<b>Relevance/Importance to:</b>		
7	Australian Healthcare practice/policy/health outcomes	10
8	Relevance/importance to hospital pharmacy practice	10
<b>Innovation and originality</b>		
9	Breaks new ground in hospital pharmacy	10
10	Track record in research, project management	5
11	Current outstanding grant reports / overdue penalty:	Yes/No
12	Professional engagement	5
13	Dissemination of results and outcomes	5
<b>Total Score</b>		100
